Dear Detective Timeless,

I am writing from Stimt Pharma.

We have had an adverse event at the company where we have to recall a large batch of medicines. It appears that there was an audit failure.

We understand that you are the best Au-detective around and we need your help.

I am sending a short video clip from the news on the adverse event.

Thanks in advance.

Best regards,

Stavros

**NEWS**

Stimt pharma to recall 20 million strips due to poisoning fears.

**19:05**

You'll need to go back to the beginning to find out what has gone wrong. You'll need some assistance. Time to check your watch.

Select **Time Travel Device** on table.

It's one year back. You see an audit meeting in progress..
